Even spiritual people have groceries, rent, and real-world needs!

In this online Zoom class, facilitated by **Unity Minister, Rev Kathleen Kerswig**, we'll explore how
spiritual principles can gently guide everyday money choices.

Utilizing the book written by Rev. Jim Rosemergy - **Even Mystics Have Bills to Pay** - we will explore
how our spiritual principles can impact our real-life economic needs. The author explains what the
mystics of the world have discovered: The key to prosperity is turning within.

Through conversation, reflection, and simple practices, we will look at our finances in ways that honor
both our spiritual journey and our real-life responsibilities.

Together, we'll welcome a more peaceful, grounded relationship with our finances.
